SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

a. Solicitation W912CZ-06-R-0027 is amended to replace paragraph 5.2.2 of the Performance Work Statement with the following paragraph 5.2.2 (changes indicated by bold print):

5.2.2. The Contractor shall be accredited to provide high-quality, on-line courses that will be of interest to solidiers and families, including, but not limited to Web Design, Digital Photography, Digital media, 3-D Animation, Visual Basic, Game Development, Computer Programming (such as Unix, C++, etc.), Video Editing, Robotics, Home Financial Programs, Front Page, Basic Internet skills, Basic Computer skills, and Basic Computer Repair. Also, provide **training for** Microsoft Office programs, to include at a minimum Access, Excel, Power Point, Outlook and Word courses.

b. This amendment also answers the following questions raised in regards to the solicitation.

Regarding 5.2.2 [Performance Work Statement], the PWS states that the Contractor shall offer "**Regionally or Nationally accredited** online courses".

1. Q: Is the intent that the student will be able to receive credits for the course once completed?

A: The intent is not for students to receive credits for completing the course, the intent is that the vendor shall be accredited or certified to provide these services.

2. Q: If so, are these to be secondary, post secondary or post graduate credits? This will determine the type of accreditation needed for the courses.

A: See response to question number 1.

3. Q: In order for the student to gain credits for these courses, the Contractor must be either an accredited educational institution, or aligned with an accredited educational institution. Is it your intent to award this contract only to a Contractor who is either an accredited education institution, (i.e. school, college or university) or aligned with such an institution?

A: See response to question number 1.

4. Q: If the courses are currently being used by other accredited institutions not related to this contract, does that meet the criteria in the Performance Work Statement?

A: No. Contractor shall be accredited to provide high-quality on-line courses.

c. This amendment does **not** change the solicitation response date of September 8, 2006, 2:00 p.m.
